

INCOL Mission and Goals

Adopted May 4, 2018

MISSION STATEMENT:

INCOL's mission is to engage in cooperative activities, which enable member institutions to improve library services to their constituencies.

Objectives:

- Support the INCOL continuing education committee activities and workshop.
- Evaluate opportunities to use INCOL funds to support regional information and/or library initiatives.
- Share information on issues of interest to the library community with other INCOL libraries, directors or through the website.
- Maintain and enhance the INCOL web site to include all pertinent documents and any information deemed useful to INCOL libraries.
- Support the sharing of human and technology resources in a time of budgetary constraints.
- Watch for grants, projects or other opportunities for partnership that might benefit member institutions or their constituents.
